Dear Sir;

On my return from Chicago this noon I find your favor of May 18th. I gave instructions before I left home to have ready for shipment early next month from twenty two to twenty six thousand pounds of the nickel blanks, and we will also have enough bronze blanks to return at once the quantity which you may send in of the bronze shoe bars. If it will be a matter of convenience to you to have these shipments made at once, we can do so if you will give us the quantity required.

Yours truly,

C. P. Goss
